

WEBSITE MAINTENANCE AND REVISION RETAINER AGREEMENT

This Agreement takes effect on the date it is signed below, and is made between:

OAX Tech, operated by Geffery Addai, of Calgary, Alberta (the "Provider")

and

Guyana Canada Cultural Association (Calgary), a registered non-profit society (the "Client")

1. Purpose

The Client engages the Provider on a monthly retainer to maintain, update and support the website at gccacalgary.com. This Agreement takes effect once the initial website build has been delivered and paid in full, and is separate from that build.

2. Retainer Fee

2.1 The Client will pay **\$100.00** CAD per month.

2.2 The fee is due monthly on the same day of the month as the signing date, and covers the month that follows.

2.3 Payment is made through a Square payment link issued by the Provider before each due date.

2.4 The Provider is not currently registered for GST. If registration becomes required, GST will be added to future invoices with notice.

2.5 The retainer is a fixed monthly fee. Unused capacity in one month does not carry into the next.

2.6 The parties acknowledge that this fee sits at the lower end of the prevailing market range for professionally managed websites of this type, which is commonly published at approximately USD \$95 to \$195 per month. Any adjustment under Section 10.4 will be made with reference to that range.

3. What the Retainer Covers

Maintenance and updates to features already built into the website, including:

- Text, image and video updates on existing pages
- Adding, editing and archiving events on the existing events calendar
- Updating membership categories, pricing and fiscal year details on existing forms
- Updating the executive roster, by-laws, governance panel and contact details
- Updating refund policy, terms and conditions and membership wording
- Fixing bugs, broken links and display errors
- Routine security, hosting and dependency updates
- Monthly backups and uptime checks
- Reasonable email support on how to use the site and the registrations sheet

4. What Is Not Covered

4.1 The following fall outside the retainer and are quoted and billed separately:

- New pages, new sections or new site features
- Redesigns, or changes to site layout and visual identity

- New third-party integrations, or replacing the payment processor
- Changes to how forms collect, store or route data beyond simple field edits
- Copywriting, graphic design, photography and video editing
- Marketing, SEO, social media and email campaigns
- Bulk data entry, including migrating historical records
- Repairing damage caused by edits made by the Client or a third party

4.2 Out of scope work will be quoted in writing before it begins. No such work starts without written approval from the Client, and it is invoiced separately from the retainer.

4.3 Where a request is partly covered and partly out of scope, the Provider will say so in the initial response and quote the out of scope portion.

5. Monthly Capacity

5.1 **The retainer covers up to 10 hours of work per month.**

5.2 Time beyond that is billed at **\$20.00 per hour**, and only after the Client approves the additional time in writing.

6. Revision Schedule

6.1 Requests are to be sent by email to **geffery.addai1@gmail.com** by the Client's designated contact. Requests made verbally, by text message or through social media are held to the same standard under this Agreement.

6.2 The Provider will respond **within 48 hours of receiving a request**. That response will confirm the request, ask any questions, request missing material, and flag anything outside the retainer.

6.3 Once the Client has confirmed and the Provider has everything needed to proceed, **the Provider has 48 hours to complete the update**.

6.4 **Both 48 hour periods are counted in business days, Monday to Friday, excluding statutory holidays in Alberta.**

6.5 If material is missing or the Client's confirmation is delayed, **the 48 hour completion period does not begin until the Provider has what is needed**.

6.6 **Requests received after 7:00 p.m. are treated as received the next business day.**

6.7 **Urgent issues, meaning the site is offline or payments are failing, will be addressed as soon as possible and the timelines above do not apply.**

7. Designated Contact

The Client will name one person to send and approve requests. As of the effective date this is **Lorlene Taljit-Goodluck**. Requests from other executives are to be routed through that person so that instructions do not conflict. The Client may change this contact with written notice.

8. Client Responsibilities

- Supply content, photos and information in a usable format
- Respond to the Provider's questions and approvals within a reasonable time
- Keep its own account credentials secure, including Square and Google

9. Third Party Costs

Domain renewal, hosting, email services, payment processor fees, stock imagery and paid plugins are the Client's cost and are not included in the retainer. The Provider will give notice/communicate before any renewal or new cost is incurred.

10. Term and Renewal

10.1 This Agreement takes effect on the date it is signed and remains in force for three years from that date.

10.2 The retainer is billed monthly on the same day of the month as the signing date.

10.3 At the end of the three year term this Agreement continues month to month, unless either party gives 30 days written notice or the parties agree in writing to a new term.

10.4 The Provider may adjust the monthly fee once every 12 months, with 30 days written notice. The Client may end this Agreement within that notice period if it does not accept the new rate.

11. Failure to Meet Obligations

If either party does not meet its responsibilities under this Agreement, the other party may void this Agreement immediately on written request. Where the Agreement is voided under this section, amounts already paid are not refunded and no further payment is owed by either party.

12. Late or Missed Payment

If the retainer is more than 14 days overdue, the Provider may pause all work, including requests already in progress, until payment is received. Accounts more than 60 days overdue may be terminated on written notice. Paused time is not credited back.

13. Ownership

13.1 The Client owns its content, its domain, the delivered website and the site code once the build is paid in full.

13.2 The Provider retains partial ownership of reusable code, components and templates used to build the site, and may reuse them only with the written approval of the Client.

13.3 The Provider may display the website in its portfolio and marketing material.

14. Confidentiality and Member Data

Each party will keep the other's non-public information confidential. The Provider will not share, sell or use member registration data for any purpose other than operating and maintaining the site.

15. Liability

The Provider is not liable for downtime, data loss or service failures caused by hosting providers, the payment processor, the domain registrar or other third party services. The Provider's total liability under this Agreement is limited to the retainer fees paid in the preceding three months.

16. Handover on Termination

On termination, and provided all invoices are paid, the Provider will hand over site files, credentials and access under its control within 14 days.

17. General

17.1 This Agreement replaces any earlier understanding between the parties on maintenance and revisions.

17.2 Any change to this Agreement must be in writing and signed by both parties.

17.3 This Agreement is governed by the laws of the Province of Alberta.

18. Signatures

Both parties agree to the terms above.
